

Join Our Team as a Jobsite General Laborer - Masonry Restoration

Build Your Career with R. J. Jacques, Inc.! Join a respected, family-owned specialty contractor serving northeastern Wisconsin. We're seeking a motivated Site General Laborer to support restoration projects, including tuckpointing, pressure washing, waterproofing, and more.

Key Responsibilities:

- Assist skilled masons with tuckpointing, pressure washing, waterproofing, caulking, cleaning, and related restoration tasks on commercial job sites.
- Safely operate tools and equipment such as hand tools, pressure washers, aerial lifts, and other jobsite tools.
- Prepare and maintain work areas, ensuring compliance with safety standards and proper use of personal protective equipment.
- Load, transport, and organize materials and supplies.
- Follow instructions from site supervisors and demonstrate a strong work ethic and willingness to learn.
- Participate in training and safety programs to enhance job performance and understanding of safety procedures.
- Maintain a clean and organized work area and company vehicle.

What We Offer:

- Competitive wages based on experience, with opportunities for overtime.
- Comprehensive benefits package: Health, Dental, Paid Vacation, Holiday Pay, and travel compensation to/from job sites.
- Training provided for candidates new to construction—experience is a plus but not required.
- A supportive team environment with a focus on safety, quality, and professional growth.

What We're Looking For:

- Ability to perform physically demanding tasks, including lifting up to 50 lbs and working at heights.
- Valid driver's license.
- Dependable, trustworthy, and committed to excellent attendance.
- Eagerness to learn new skills and follow safety protocols.
- High school diploma or equivalent preferred; on-the-job training provided.
- Although uncommon, overnight travel may occasionally be required.

About R.J. Jacques, Inc. Our mission is to provide quality commercial building restoration services throughout Wisconsin and the surrounding area. We are proud of our legacy and the trust we've built with our clients.
